Digital Repository Policy

- At the University of Ibadan, we have a draft IR policy
- The UL inaugurated an IR Policy Development Committee
- The committee consisted of six librarians
- Members were charged with developing an IR policy for the University
- The committee came up with a draft policy
- The draft was sent out by UL to other stake holders for input and eventually submitted to the DVC (Research, Innovation and Strategic Partnership)
- University management set up an Ad hoc committee to review it
- The final draft of the policy by the University Ad hoc Committee is awaiting approval and adoption by the University

SYSTEM SETUP, INSTALLATION AND CONFIGURATION

DSPACE DEPLOYMENT, CUSTOMIZATION AND OPTIMIZATION

The screenshot shows the African Digital Health Library (ADHL) website. The browser address bar displays 'adhlui.com.ui.edu.ng'. The page features a navigation menu with 'Home', 'Browse', and 'Help' options, along with a search bar labeled 'Search ADHLUI' and a 'Sign on to:' dropdown. The main content area includes the ADHL logo and a descriptive paragraph about the library's mission and funding. Below this, a green banner reads 'African Digital Health Library - University of Ibadan'. The page is divided into two main sections: 'Communities in ADHLUI' and 'Discover'. The 'Communities' section lists 'Faculty of Basic Medical Sciences' and 'Faculty of Clinical Sciences'. The 'Discover' section displays three filters: 'Author' (listing BEWAJI, CLEMENT OLATUNBOSUN with 2 items, OSUNTOKUN, BENJAMIN OLUWAKAYODE with 2 items, and ABABIO, ENOCK N.K. with 1 item), 'Subject' (listing Quality of life with 5 items, AFLATOXIN with 4 items, METABOLISM with 3 items, and Oxidative stress with 3 items), and 'Date issued' (listing 2010 - 2017 with 68 items, 2000 - 2009 with 18 items, 1990 - 1999 with 1 item, and 1980 - 1989 with 26 items). The Windows taskbar at the bottom shows the system date as 15/10/2018 and time as 20:37.

ADHLUI

African Digital Health Library (ADHL) is a repository of theses and dissertations from the College of Medicine, University of Ibadan, Nigeria funded by the Office of Global AIDS/U.S. Department of State and the U.S. National Library of Medicine / National Institutes of Health. The ADHL is a collaborative initiative of medical librarians in Kenya, Mali, Nigeria, Zambia and Zimbabwe. The ADHL in Nigeria is managed by E. Latunde Odeku Medical Library, College of Medicine, University of Ibadan.
